**LIFELINE HOUSEHOLD WORKSHEET**  
**ONLY Multiple Households Complete This Form**

<b>CUSTOMER'S FULL NAME</b>	
<b>MAILING ADDRESS</b>	
<b>"Main" Lifeline Telephone Number</b>	

Lifeline is a federal government assistance benefit that provides a monthly discount on fixed or mobile voice service or broadband service. Only ONE Lifeline discount is allowed per household. Members of a household are not permitted to receive Lifeline service from multiple telephone companies. Lifeline is a non-transferable benefit and may not be transferred to any other person. Willfully making false statements to obtain the benefit can result in fines, imprisonment, de-enrollment, or being barred from the program. Violation of the one-per-household limitation constitutes a violation of the FCC's rules and will result in de-enrollment from the program and, potentially, prosecution by the U.S. government.

Your **household** is everyone who lives together at your physical address as one economic unit (including children and people who are not related to you). The **adults** you live with are part of your **economic unit** if they contribute to and share in the income and expenses of the household. An **adult** is any person 18 years of age or older, or an emancipated minor (a person under age 18 who is legally considered to be an adult). Household **expenses** include food, health care expenses (such as medical bills) and the cost of renting or paying a mortgage on your place of residence (a house or apartment, for example) and utilities (including water, heat and electricity). **Income** includes salary, public assistance benefits, social security payments, pensions, unemployment compensation, veteran's benefits, inheritances, alimony, child support payments, worker's compensation benefits, gifts, and lottery winnings.

Spouses and domestic partners are considered to be part of the same household. Children under the age of 18 living with their parents or guardians are considered to be part of the same household as their parents or guardians. If an adult has no income, or minimal income, and lives with someone who provides financial support to that adult, both people are considered part of the same household.
