

Piuraagiaqta Top of the World Golf Tournament

9 Hole – Best Ball, Shotgun Start

Rules:

1. Each team consists of 3 players.
2. Each team can use one iron, one putter and a tee mat.
3. Each team is given 2 balls per player. If you lose both balls, play is done for that player. The team can continue unless all balls are lost.
4. The tee mat can be used until putting begins.
5. Each team is assigned a hole to begin play. All play will begin at the same time and the team must play all holes to qualify for prizes.
6. Each team member must tee off on each hole and the team selects the best shot to continue play. Each player will hit from that spot and all subsequent spots until the ball goes in the hole.
7. Count all shots that are used per hole and write the score on the score card. Once you have completed all 9 holes, add the scores and enter it in the total score block.
8. The team with the lowest score wins 1st place. The team with the second lowest score wins 2nd place and the third lowest score wins 3rd place.
9. Sign score card. Clubs and tee mats must be returned to ASTAC coordinator at the end of play.
10. Prizes will be awarded at the Community Potluck on Monday at 6pm at Piuraagvik. Must be present to win the drawing. Keep your entry ticket until then.

Please be respectful of the players ahead of you and not hit when there is a chance that you could hit them with your ball. We want to have fun and not have any injuries!

Thank you,

ASTAC
