ASTAC AND OTHERS DONATE TO NEW SCOREBOARD FOR CITY OF BARROW

Anchorage, Alaska, March 23, 2015 – A new top-of-the-line Nevco scoreboard hangs proudly in the Piuraagvik Recreation Center today because Barrow Recreation Director Christopher Battle decided enough was enough: The time had come to replace the temporary scoreboard they'd been using for three years since the last official scoreboard came down in the renovation of 2012. Without money in the budget to replace it, the city needed to seek another solution.

That's when Battle asked local businesses to help. Today, a real scoreboard dons the city's vital recreation facility thanks to generous contributions from Arctic Slope Telephone Association Cooperative (ASTAC), Barrow Utilities and Electric Co-Op Inc., North Slope Borough, Arctic Slope Regional Corporation and BP Alaska.

The new scoreboard was hung on March 18, 2015, and will be used for all future Little Dribblers and adult basketball league games.
