[REDACTED] Subscriber Initials.
- 4. Availability:** Service availability is subject to the condition and power of your cellular telephone, your location relative to our cell sites and those of other companies, cellular system capabilities and atmospheric or topographical conditions. For these reasons, ASTAC makes no warranty that service will be available at any time or in any location. Service may be temporarily refused, interrupted or curtailed due to governmental regulations or orders, system capacity limitations, equipment failure, nonpayment by subscriber, modifications, upgrades, relocations, repairs or other activities necessary or appropriate for system operations.
- 5. 30 Day Trial Period:** You may terminate a new subscriber service agreement for any reason within 30 days of activation. If you do so, the service will be cancelled; and you will be responsible for all applicable fees, prorated access charges, taxes, roaming, long distance, data usage, or other charges that accrued to your account during the trial period. Equipment provided/purchased must be returned in the original box with all components and packaging materials (phone, charger, battery, user instructions, warranty information, etc.). Handset Installment Plans require a 12, 18, or 24-month 0% APR monthly installment plan and immediate down payment. An ASTAC Wireless Service Plan is required. Either party may terminate the Handset Installment Plan at any time, with or without cause, by notifying the other party. Except as otherwise provided herein, if subscriber terminates the Handset Installment Plan, cancels wireless service, or fails to make required payments when due, the remaining balance of the Handset Installment Plan is due. Subscriber has no ownership rights to any IP address, or e-mail address provisioned by ASTAC to be used for any Service. By using Service, subscriber agrees to abide by the terms and conditions of this Agreement, any applicable calling plan and any applicable software license.
- 9. Determination of Charges:** Wireless, Internet, Telephone and Long-Distance charges will depend on the calling plans selected by subscriber at the top of this Agreement. If a person activates Service on behalf of another person or entity but was not authorized to do so, the person activating the Service will be fully bound by this Agreement as though they had activated the Service on their own behalf. ASTAC reserves the right to modify or terminate the calling plan selected by subscriber upon thirty (30) days prior written notice. In such event, subscriber may terminate the Service or select another calling plan. Continued use of the Service after the expiration of the notice period will serve as subscriber's consent to the charges described in the notice.
- 10. Payment, Due Date:** Subscriber is responsible for payment of all charges to subscriber's account including internet, telephone, long-distance, any taxes, surcharges, fees, assessments or recoveries imposed upon subscriber as a result of the provision of Service or the purchase of goods. All amounts billed are due upon receipt. An account is considered delinquent if payment has not been received by the 20th day of the next month. Failure to make any payment due or to perform any obligation under this Agreement constitutes default of the Agreement and all unpaid amounts shall become immediately due and payable to ASTAC.
- 11. Deposits, Credit Information, Late Payment Charges and Disputes:** ASTAC may, at its sole option, require a deposit prior to or at any time during the term of the service Agreement. The amount of the deposit will depend on the credit of and the amount of Service provided to subscriber. The deposit will be held as a partial guarantee of payment. The deposit cannot be used by subscriber to pay or delay payment. Unless otherwise required by law, deposits may be combined with other ASTAC funds that will not earn interest. Subscriber agrees to provide credit references and authorizes ASTAC to take the necessary actions to verify credit information and contact credit reporting agencies to obtain subscribers payment and credit history. A late payment charge of ten and one-half percent (10.5%) per annum, or such lesser amount required by law, will be added to past due accounts. Payments mailed to ASTAC will be deemed paid when received and credited to subscribers account. All amounts, including disputed amounts must be paid by the due date regardless of the status of any objection. All communication pertaining to any billing disputes must be in writing, marked "billing dispute" on the outside of the envelope, and received by ASTAC within 60 days of receipt of the billing statement. If any of these requirements are not met, subscriber waives any right to contest the bill.
- 12. Termination Fee:** If, during the initial 12-month period, service is disconnected for any reason including non-payment (for suspension, see below); subscriber will be billed any waived fees, including fees waived during any promotional offers. Non-fiber equipment is provided at no charge. If any new Home Internet fiber equipment becomes damaged "outside normal use" per section 10, you will be charged \$300.00 for the replacement equipment. After the initial first year term, if equipment is damaged "outside normal use", a new term contract will be required to replace the equipment. At no time will the damage and installation fees, combined, exceed \$300.00 per service. Non-payments that result in service suspension will incur a \$50 reactivation fee. An additional \$99.00 fee will be charged for reprogramming the equipment or for moving the service from the initial location of service under this contract.
- 9. Disclaimer of Warranties and Risk of Loss:** ASTAC makes no warranty, express, statutory or implied, written or oral, and whether arising by statute or course of dealing or usage of trade to subscriber as to: (A) the suitability of the Service for subscriber's intended use; (B) the availability of the Service at any time or in any location; (C) the merchantability or fitness of the Service for any purpose; (D) the availability of 911 service; or (E) the grade or quality of the Service. Subscriber assumes all risk of loss that may result from unavailability or failure of the Service.
- 10. Limitation of Liability:** The total liability of ASTAC in any way arising directly or indirectly out of the provision of the Service under this Agreement shall be limited to an amount equal to one month's access charge. This limitation of liability shall apply regardless of the form of the action, whether for breach of contract, warranty, negligence, strict liability in tort, or otherwise. In no event shall ASTAC be liable for any special, consequential or punitive damages.
- 11. Expenses:** Subscriber shall pay all costs and expenses, including without limitation reasonable attorney's fees, and the fees of any collection agencies and arbitration process or court costs, incurred by ASTAC in enforcing any of its rights or remedies under this Agreement.
