Position Description

The Customer Experience Specialist (CES) is responsible for supporting ASTAC's initiatives by providing excellence in service to all our past, current, and future members. This position is responsible for developing in depth knowledge for all products and services ASTAC provides to include Local, Long Distance, Wireless, Internet, and miscellaneous accessories or products supported by the company. A CES will be ASTAC's subject matter expert related to inbound and outbound sales, village sales event support, technical support, billing, retail & over the phone customer service, account maintenance, accounting support, and project support as needed.

Principle Accountabilities

45% Sales – This position is responsible for assisting with reaching goals set by the company related to sales and revenue. This position will be assigned annual sales goals for all services and products supported by the company. This position will be responsible for identifying needs and opportunities during incoming and outgoing customer interactions and assuring ASTAC is providing support to our members in every way possible.

30% Customer Service – In this role, the CES will be required to assist customers via the phone, in person at our retail location as needed, and on Sales events hosted in communities we serve. The CES will be the front line of communication for all our past, current, and future members; in addition to our internal customer base as needed. This role will be responsible for providing support to all members related to billing, technical support, account maintenance, product or service inquiries, and all other support related to a member's service or ASTAC experience.

20% Project Support – Within this role, projects are assigned to support all functions related to the customer experience; these projects may include and are not limited to billing processes such as Non-Pay Disconnects, Collection Efforts, reporting, and audits. Other projects that may be assigned may include account clean up related tasks, quality control efforts and support, directory listing support, product launch support, and inventory support.

5% Accounting Support – This position provides opportunities to learn basic accounting tasks to include GL assignment, ACH payment reconciliations, and GL balancing as needed. Accounting tasks vary and may grow as time progresses.

Knowledge, Skills, and Abilities

Possess a basic knowledge of general accounting
